## Police: Larcenies in south, north neighborhoods

By Rosemary K. Oztman  
*Independent Editor*

On Friday Van Buren Township police sent out a Nixle advisory concerning home invasions and larceny from autos occurring in the south end of the township within the past two weeks.

The area targeted has been between Sumpter and Elwell roads north of Hull and south of W. Huron River Drive.

On Monday, Van Buren Township Public Safety Director Gregory Laurain issued another call for residents to call the police if they see anything unusual in their neighborhoods, since ten larceny from auto reports had been lodged on Sunday in Homestead subdivision off Ecorse Road in the north end of the township.

He has no reason to believe the south and north criminal activity is related, he said.

Home invasions on some unoccupied homes and garages have been occurring along with larceny from unlocked vehicles in driveways in the south end.

The Homestead larcenies were between 2 and 4:15 a.m. on Sunday, based on video camera evidence from a resident.

Director Laurain said on the video three suspects and a pick up truck can be seen.

He said there were two breakings and enterings of garages using garage door openers found in unlocked cars.

A riding lawn mower was taken from a garage and left at the end of a driveway

The T-Rex Arms gun store and indoor gun range at 44800 North I-94 Service Drive in Van Buren Township held a ribbon-cutting with the Belleville Area Chamber of Commerce on Friday. Taking part in the ceremony were owners Anthony and Nikki Pallich and Michael and Michelle Wyatt; employees Rick Kuchna, David Foy, and Justin Wyatt; and many chamber members, community members, and customers. The business officially opened its doors to public at noon Friday.

## The brick came tumbling down

On Sunday, Aug. 21, all the bricks fell off of a two-and-a-half story eastern wall of Harbour Club Apartments on Denton Road in Van Buren Township. The bricks crushed a carport, but damaged no vehicles and injured no people. Some of the residents speculate that the brick broke loose due to the vibration of the jets during that week end's Air Show at nearby Willow Run Airport. The now bare wall faces the apartment complex's golf course.

## VBT's new ISO rating is 4, which could bring lower insurance costs

On Monday afternoon, Van Buren Township received the latest Public Protection Classification from Insurance Service Office, Inc. (ISO) -- and it was good news that could mean reduced property insurance rates for township residents.

According to the ISO, based on a scale of 1-10, "Class 1" represents an exemplary fire suppression program and "Class 10" represents an area's fire suppression fails to meet ISO's minimum criteria.

Prior to Monday's announcement, the township earned its most recent ISO rating in December 2012. In that 2012 review of the township's water, 911 communication, and fire departments the township earned a Class 6 which was the same rating it had earned in a March 1992 review.

"Today, we are very proud and honored to announce that Van Buren Township's rating has been upgraded to a Class 4," said Fire Chief Dan Besson.

The ISO is an independent company that serves insurance companies, communities, fire departments and others by providing information with regard to risk. ISO has evaluated and classified approximately 48,000 communities nationwide. According to the ISO of the over 48,000 fire protection areas rated only about 4,600 of them rated better than a Class 4.

Source: <https://www.isomitigation.com/program-works/facts-and-figures-about-ppc-codes-around-the-country.html>

A community PPC rating is dependent upon:

- Needed Fire Flows (the amount of water necessary for fire suppression)
- Emergency Communications (911 call taking and incident dispatching)
- Fire Department (equipment, staffing, training, geographic distribution of fire trucks, operational considerations and community risk reduction)
- Water Supply (inspection and flow testing of hydrants, alternative water supply operations and careful evaluation of the amount of available water compared with the amount needed to suppress fires up to 3,500 gallons per minute)

The report is comprised of 3 sections:

- Emergency communications account for 10% of the classification;
- Water supply system is 40% of the classification; and
- Fire department is 50% of the total classification.

The ISO's Public Protection Classification evaluates communities according to a uniform set of criteria and national recognized standards developed by the National Fire Protection Association and the American Water Works Association.

According to Dominic Santanna, ISO's Manager of the National Processing Center in Mt. Laurel, NJ, "Most U.S. insurers -- including the largest ones -- use the Public Protection Classification information as part of their decision-making when deciding what businesses to write, coverage to offer, or prices to charge for *personal* or *commercial* property insurance." It also "provides fire departments with a valuable benchmark, and is used by many fire departments as a valuable tool when planning, budgeting, and justifying fire protection improvements."

Although ISO reviews take place minimally every five years, Fire Chief Dan Besson and Jim Taylor, Director of Public Works, felt the township had made significant improvements to their respective areas that they invited ISO in for an early audit.

Besson, Taylor, and Sergeant Louis Keele, supervisor of the township's 911 Communications Center, provided a significant amount of data, statistics, and documentation. In a letter to Township Supervisor Linda Combs, Santanna added "ISO appreciates the high level of cooperation by local officials during the entire PPC survey process...and we wish to thank you...for your cooperation."

The new ISO classification takes effect Dec. 1, 2016.

## Belleville DDA bids out park grass cutters, gets rid of city DPW crew

By Rosemary K. Otzman  
*Independent Editor*

The Belleville Downtown Development Authority voted unanimously at its regular meeting Aug. 17 to hire Pioneer Landscaping to cut its parklands instead of the city of Belleville DPW crew for the rest of this season.

Pioneer's quote was almost half that of the DPW and much lower than all the other quotes.

Now the DDA will be able to deduct the grass cutting fee it pays to the city and reduce the amount in its budget that goes for maintenance. The previous district maintenance agreement has expired and the city and DDA are negotiating for a new agreement.

The city has been waiting for an updated 2016-17 DDA budget since before the new fiscal year started on July 1. The DDA indicated it needed to get its grass bids

At the final Music Lakeside concert last Thursday evening, the Belleville Area Council for the Arts gave away ice cream to concert-goers at Horizon Park. Serving the ice cream were two students from McBride Middle School who were earning community service credits for graduation. In the rear is Peggy Voigt who oversaw the ice cream table. Waiting for ice cream is Linda Luke.

The crowd enjoyed the Beatles' music offered by Dig A Phony band. This was the final concert in the summer series put on by the Music Committee of the Belleville Area Council for the Arts.

before it could finalize its budget.

DDA Coordinator Carol Thompson got five price quotes, including one from the DPW, for the cutting of grass at Village Park, Victory Park, Horizon Park, and Doane's Landing.

Pioneer currently has the DDA contract to plant and weed the flowers in the DDA district, Thompson said, and the city is very satisfied with their work.

The quotes were:

- **Pioneer Landscaping** of Van Buren Township -- Village Park, \$330 per cut; Victory Park, \$55 per cut; Horizon Park, \$50 per cut; and Doane's Landing, \$25 per cut, for a total of \$460 per week.

- **City of Belleville** -- Village Park, \$640 per cut; Victory Park, \$60 per cut; Horizon

Park, \$50 per cut; Doane's Landing \$40 per cut for a total of \$800 per week.

- **Bizzie Bee** of Belleville -- Village Park, \$800 per cut; Victory Park, \$200 per cut; Horizon Park, \$175 per cut; Doane's Landing, \$150 per cut, for a total of \$1,325 per week.

- **Weise's Lawn Care** of Van Buren Township -- Village Park, \$1,125 per cut; Victory Park, \$85 per cut; Horizon Park, \$64 per cut; Doane's Landing, \$55 per cut, for a total of \$1,329 per week.

- **Matt Lee's Lawn Service** -- Village Park, \$1,250 per cut; Victory Park, \$50 per cut; Horizon Park, \$50 per cut; Doane's Landing \$25 per cut, for a total of \$1,375 per week.

### Our community members always reach out to help

Once they know about needs, members of the Belleville community always reach out to help. They have to know there is a need first and that's where we are able to help, by putting out the information that opens people's hearts. We've been writing about this for years because it is such a precious part of this community.

For example, we were able to let people know about the heavy-handed vote of the Sumpter Planning Commission that may cost the Friends of Michigan Animals Rescue a grant to put extra kennels on the back of their no-kill shelter.

People reached out, giving what they could. Some \$20 bills here and there and one a bit more. Discounts on the paperwork came; more help needed.

Now, we find that funds are needed to help a young couple fight cancer. Kevin Robertson was hoping for help from a recent fund raiser, but that was just a dream. And, costs are piling up with few ways to pay the bills. No insurance. No Social Security. No unemployment compensation. Hope dwindling.

He and his wife are having a yard sale during Belleville's annual citywide yard sale Sept. 10 and 11 where they will be selling donated items. And, they are having a bottle/can drive. Just drop donations off at 59 Henry Street.

This young couple is trying to face life with courage and hope. Let's see what we can do to help them. It's the way this community works.

### EXTRA THINGS I KNOW

...By Rosemary K. Oztman

Somebody faxed us four pages that may show bad conditions at Village Park. Faxed pictures come out really bad on the receiving end.

The unnamed faxer wrote: "The City of Belleville should be ashamed! What kind of pride is this? Overgrown grass, weeds, flower pots full of trash. View from Village Park on Savage Road, owned and (not) maintained by the City of Belleville (DPW)! Concerned resident of Victoria Commons and also embarrassed to say I live here. Photos taken Aug. 22."

We receive lots of complaints about conditions in the city of Belleville now that there are only two DPW workers. We especially get complaints about Doane's Landing park at the gateway to the city. It has been roped off for months.

No one seemed embarrassed that the recent Belleville Bridge Walk started right there at the roped-off park.

\*\*\*

We tried to call Providence at Harbour Club Apartments to get information on the bricks that fell off their outside wall, but it's impossible to get through unless you know somebody's name or want to rent an apartment. Everything is by machine.

M-STEP results released Tuesday show the percentage of Savage Elementary School students passing the English language arts exam in third grade dropped 28 percentage points, from 79% in 2015 to 51% this year, while in math, the decline was 32 percentage points, from 91% to 59%.

Meanwhile, in fourth grade, the percentage of students passing the English language arts exam is down 13 percentage points,

from 77% to 64%, and the drop in math was 27 percentage points, from 89% to 62%.

We're not surprised, since the school was in mass disarray following the marching out of the five beloved teachers in January. Many classes had substitute teachers for much of that semester during which they were tested.

It's interesting to note that even though the English in third grade and math in fourth grade were down, they still were the highest elementary school scores in the district.

The *Detroit Free Press* seems to push the idea that the decline in scores means the teachers cheated in 2015.

\*\*\*

A young man reports that he paid for gas at the pump with his new credit card with a chip at the Shell station at I-94 and Belleville Road and then took his mother to Vegas. When he returned he learned someone had used the information from his card in Oak Park and Southfield to charge \$2,000 worth of goods.

This isn't the first time we've heard complaints about the skimming of cards at that location.

\*\*\*

A fund raiser was held Sept. 13 to help cancer patient Kevin Robertson and although more than \$1,500 was donated by local merchants for the event, Robertson only received a couple of hundred dollars and that was only after shaming the man

who put on the event.

Family members are so upset over the way this was handled and feel bad for all the local merchants who donated to the event trying to help. The man who put on the event said he didn't get enough to cover his expenses.

Kevin was diagnosed with cancer on May 7, 2016. He went through four week-long treatments and now needs surgery to remove tumors in his lung, stomach and testicle. Kevin is not getting unemployment, disability or social security at this time. Medical bills are piling up, costs for prescriptions have increased due to his FMLA expiring from his previous employer who then terminated his employment and insurance. There is a go-fund me page at [www.gofundme.com/kevinrobertson](http://www.gofundme.com/kevinrobertson)

Kevin and his wife Allison (who works part time locally) will host a yard sale during the Community Yard Sale with donated items. A bottle drive is in the works, as well, and returnables can be dropped on the porch of 59 Henry Street, Belleville.

The family sends thanks out to this very kind, generous community they have called home all their lives. Kevin and the families appreciate your prayers and support.

### Sumpter Twp. officials should be ashamed

To the Editor:

Sumpter Township officials should be ashamed of themselves for delaying and driving up the cost of the construction of the new Friends of Michigan Animal Rescue (FMAR) building. Part of it has already been completed and approved by the township. When fully completed it will significantly increase the number of animals that they can house.

FMAR helps the Township by taking in dogs and cats that are found abandoned or surrendered by owners who can no longer take care of them; and they work closely with the Township's Animal Control and Police Departments to do this. Many of these animals are in terrible condition, needing extensive medical care. The owners and volunteers provide the care, food and love that they need for recovery, which can take months or even years. The costs for this activity can be staggering – vet and medical fees on top of the basic daily costs to run such a facility – utilities, maintenance, food and other essential supplies - and all of it is covered by donations, fundraisers and the occasional grant.

They were fortunate to receive a grant to help pay for this new building, but because of the delay to the construction they are at risk of losing this valuable grant. I would have expected the township to be doing everything possible to help them get the project completed as soon as possible so that they can keep the grant and increase their effectiveness. Instead, they appear to be making it extremely difficult and much more expensive by changing the ground rules part-way through the process. Surely someone in the township management can work with FMAR and the planning consultant to sort this out without driving up the cost. Along with the significant delay, the costs may rise \$10,000 to \$15,000 for fees to hire professionals to replace the drawings done by hand (which up to now have been acceptable) with a complete set of architectural drawings.

Caring for all the animals is a huge job – 24 hours per day, 7 days per week, every single day of the year; and these people in this facility do an outstanding job, making it the envy of other similar facilities anywhere. Everyone in this community should be proud of their achievement and the devotion to the animals that has made it possible. Surely it is worth some extra effort on the part of others to help them continue this essential role.

Linda Porter

## Just a few random thoughts on a Monday...

To the Editor:

About summer: A great time out West with granddaughter Madaline. Good time at the beach with Lena and family. This past Friday A.M. at Tim Horton's – too many good friends to name. Had good conversation with Officer Greg Laurain about yard signs (I support local police). I'll have to find out who has them. Stopped at Express Tire. Marty and Dan have always been helpful. Spent 2 hours at Barnes & Noble then lunch with daughter Lara. Saturday took granddaughter Kaley (Belleville Fire Fighter) to Detroit just to look around. Went by my old high school (Southwestern). Sad. Fenced off, boarded up, and weeds to keep you from seeing it. Next stop, King's Used Book Store. If you love books, don't miss it. Hop over to the Guardian Building (what all of Detroit used to look like). On to Belle Isle and Scott's Fountain. Park clean and lots of picnics. Over to Milano's for lunch. Ran into my Belleville dentist and good friend Gary Berman (no pulling or grinding today). Toured Boston Edison area. Great homes from the past and still well-kept. Real rain storm on the way home, but stopped about 4:30. Belleville Marching Band performance at 5. Sunday lunch with my wonderful wife Linda. Monday morning at coffee ran into longtime friend Sharry Budd on her way to work. How good it has been not to think about our troubled country these past few days.

### Joe Flange drives over one million safe miles

To the Editor:

I am writing this to express congratulations to my husband Joe Flange.

You see, he drives a semi-truck to support our family. This past June, he achieved a milestone in his career: Over one million safe driving miles.

This is a huge accomplishment that not too many can claim. He actually has over two million in his career although current employers don't count previous employers.

Thank you for all the hard work and long hours on the road.

### L&W gives one penny raise to hi-low drivers

To the Editor:

I cannot believe the company that I left a while ago could be so cruel and disrespectful to the people that helped them build their empire. The hi-low drivers at L&W Engineering that have been there 20- and 30-plus years have not gotten a pay raise since 2007, but they finally got one the other day. They got one penny. Have you ever heard tell of such a slap in the face?

So, if you go down Haggerty Road and see a sign "now hiring," and get a job, you will know what kind of company you are working for.

Harry Eastwood Tinsley

### **HARRY EASTWOOD TINSLEY**

(July 15, 1931 – August 27, 2016)  
Harry Eastwood Tinsley, age 85, passed away peacefully Saturday, August 27, 2016 at St. Joseph Mercy Hospital Ann Arbor. He was born July 15, 1931 to Harry and Josephine Stevens Tinsley in Flint, Michigan.

He is survived by his wife of 64 years, Joan (Paddock) Tinsley. Harry was father to three children: Ronald (Marilyn) Tinsley of Belleville; Toni (Michael) Golden of Pinckney, Michigan; Thomas (Sandra) Tinsley of Belleville. He was grandfather to four and great-grandfather to seven: Christopher (Jennifer) Thornton and their children Alison, Aaron, and Alex; Aubrey (Christopher) Martinson and their children Lily and Iver; Jaclyn (Evan) Hofman and their child Jack; Steven Tinsley; step-granddaughter Abby Sayo and her son Chase.

He is also survived by his siblings John (Sharon) Tinsley, Barbara (Roscoe) Coomer, and sister-in-law Mary Tinsley.

He was preceded in death by his parents Harry E. Tinsley and Josephine Stevens, and his brother George Tinsley.

Harry served our country in the United States Air Force from 1950 to 1953.

Harry founded Contract Welding & Fabricating in 1964. He began the business welding heavy equipment in a small shop on Michigan Avenue in Canton, Michigan where he was the only employee. In the 1970s, he purchased a machine shop and began fabricating refuse equipment. Contract Welding became a family business in the 1980s when they were joined by all three of their children. Today, the company is run by their youngest son Tom and his wife Sandy, and is located at 385 Sumpter Road in Belleville. The company celebrated 50 years of business in 2014.

Harry loved golfing with friends and traveling with his wife Joan. They were members of the Nomad travel club based out of Detroit Metro Airport and took numerous trips, such as flying on the Concord to England. Harry and Joan also visited many other countries together such as Egypt, China, and Turkey.

Harry and Joan spent their winters in Florida and enjoyed spending time over the years with their children and grandchildren at cottages in Northern Michigan.

He loved to laugh, and make others laugh and will be remembered as a generous man who cared deeply about his family.

To honor Harry's wishes, no service is planned. Memorial contributions may be made to St. Jude Children's Research Hospital.

Richard "Dick" Kruse

## RICHARD 'DICK' KRUSE

(November 10, 1941 – August 5, 2016)

Richard "Dick" Kruse, age 74, died peacefully at home, surrounded by loved ones. He was preceded in death by his parents, August and Franz Kruse. He is survived by his sister Elaine (Stan) Banks, his nephew Daniel Banks, and his niece Maria Banks (Jeff Wilfore).

Richard brought the love of music into people's lives for more than 50 years. Originally from Schenectady, NY, Richard attended the University of Michigan School of Music. He toured Europe with U of M Symphony band in 1962, where he played many beautiful solos as the 1st chair clarinet. He was inducted into their Music Hall of Fame in 2011, and got to play in the Big House with some of his fellow former bandmates.

Richard Kruse is well-known to and loved by the City of Romulus and its band families, having been Director of Bands at Romulus Junior High/Middle School, and fulfilling the role of Romulus Schools Music Department Head. Mr. Kruse spent a great deal of his personal time and money to not only ensure the band's success, but to make sure the students were learning to love music while having fun. Kruse retired from his position as Director in 2000.

Mr. Kruse was named The City of Romulus' Person of the Year in 1991. This is an award given by the Romulus Chamber of Commerce in recognition of community service. He was nominated for his efforts to promote the students, the schools, the Music programs, and the community as a whole, as well as mentoring students in his classes. Kruse was very proud of this achievement, and was happy to have his father in attendance when he was honored with the award.

After retirement, Kruse worked at the Romulus Board of Education in photography and public relations, finishing off 41 years with the schools. He was last employed as a field sales representative and student recruiter for Marshall Music. Up until May 2016, Kruse continued to remain involved in the musical journeys of children and their families all over Michigan. Kruse has been an avid golfer for years, and spent lots of time on the courses of the country club he loved. He is well known for inviting people to join him at the club for the holiday events, golf and luncheons.

Mr. Kruse lived a fulfilled and successful life. He enjoyed his lake, his cats, and the love and company of the families who made him a part of their family.

Services were held at Crane Funeral Home, Romulus, and interment took place at Memory Gardens Memorial Park in Albany, NY.

Those who wish, may contribute, donate, and support the Romulus Bands. Online guests may leave condolences, share a photo, or light a memorial candle by visiting [www.cranefuneralhome.net](http://www.cranefuneralhome.net).

## CHARLES 'CHUCK' HUGHEY

June 28, 1953 – August 21, 2016

Charles "Chuck" Hughey passed away August 21, 2016 after a long illness. He was born June 28, 1953 to Charles and Lois Hughey of Romulus, MI. He leaves behind two sons, Charles and William of North Carolina; four grandchildren; seven siblings and countless nieces and nephews. Mr. Hughey was preceded in death by his parents and his beloved wife, Karen.

## MILTON HENRY ADAMS

(February 13, 1945 - August 29, 2016)

Age 71, of Sumpter Township, died August 29, 2016.

Milton is the loving husband of Joyce for 49 wonderful years; dear father of Raymond Adams of Florida and Patrick (Giselle) of California. Raymond is also survived by his cherished grandchildren, DeLorenzo, Jodie, and Lynden; siblings, Alma Adams, Sarah Pope, Florence Pope, Arthur (Rhonda) Adams and Martha Wilson.

Born on February 13, 1945 in Verbena, Alabama to Theodore and Anna Adams, Milton moved to Milan, Michigan at a young age. He proudly served his country in the Vietnam war. He was a very proficient athlete, excelling in hockey, football, golf and track and field. Farming was a love as well as time with his family.

A Memorial service will be held at 11 a.m. Saturday, September 3, at the Ark of Noah Missionary Baptist Church, 13755 Rawsonville Rd., Belleville, with the Rev. James Eddy officiating. Repast in church dining room at 12 noon. In lieu of flowers, memorial contributions may be directed to the Parkinson Foundation.

## MARY K. BIGENHO

(August 20, 1939 - August 24, 2016)

Mary K. Bigenho, age 77, of Belleville. Mary is the beloved wife of Larry for nine wonderful years; loving mother of Kathy Childers of Belleville, Wayne Childers of Belleville and Greg (Theresa) Childers of North Carolina.

Mary is also survived by five grandchildren, two great-grandchildren and siblings, James "Glen" (Barbara) Withrow of Ypsilanti and John "Jake" (Ann) of West Virginia.

Born on August 20, 1939 in Marfrance, West Virginia to John and Anna Withrow, Mary and her family moved to the Ypsilanti/Belleville area at a young age. She enjoyed golfing, bowling and time with her family.

In keeping with Mary's wishes, cremation rites have been arranged. No formal services are planned at this time.

In lieu of any flowers, memorial contributions in Mary's memory may be made to the charity of choice.

# FMAR spaghetti dinner to raise funds for required kennel plans

The Sept. 15 spaghetti dinner at the Ypsilanti Eagles was intended to raise funds for the Friends of Michigan Animals Rescue spay and neuter program.

But, now that Sumpter Township is requiring expensive paperwork to build kennels – and the grant to fund half of the work may expire – the spaghetti dinner has been changed to benefit the kennel plans.

The dinner is from 6 to 8 p.m. at the Ypsilanti Eagles, 2935 Holmes Road, Ypsilanti 48198. There will also be raffles and a bake sale. Tickets are \$10 for adults and kids 13 and up, \$6 for kids 12 and under, with kids 2 and under eating free.

Marcie LaFramboise, vice president of FMAR, said because of the information printed in the *Independent*, FMAR has found a couple of people that will give them a big discount for the required prints.

But, she said, FMAR has been informed it needs a survey first, that will cost about \$2,000, including a discount.

Because of the urgency surrounding the grant, the "Spaghetti" dinner, if it is successful, will replenish some of the

money being expended on the plans, LaFramboise said.

She said it is heartwarming to see all of the support FMAR is getting: "\$20 here and there and even a \$260 donation from Tracie's welding shop down the street. We are blessed."

During the annual Harvest Festival, a Harvest Market will run from 11:00 a.m. to 4:00 p.m. in the 4th Street Square between the Bayou Grill and Egan's Pub. Set up will begin at 9:30 a.m. by entering off the Liberty Street parking lot. The \$10 fee includes an 8' table and two chairs and since this is an outdoor show, you should consider using a 10 x 10 tent for your comfort.

This is not a juried show but space is limited. We would like to keep this to a Harvest theme but because it is during Booville, Halloween décor will be considered. Direct sale vendors may apply if their product fits the theme.

**Please return this application** with your check for \$10 by mail to my attention at: Belleville Area Chamber of Commerce, 248 Main Street, Belleville, MI 48111 or you may drop it off at the Chamber office.

For any questions or concerns, please contact me via my email: [jfayemillard@att.net](mailto:jfayemillard@att.net) or call at (734) 558-5368 after 3:30 p.m.

We just love sweet and playful **Maricelle** and you will too! She's a 1 year and 5 month old Pitbull Terrier mix filled to the top of her adorable pointy ears with puppy love and fun to share. She's extremely social and fun-loving and always wants to be right in the middle of things. She reminds us of the best friend that is always up for anything, will stay up late having fun and be the first to ask what's next in the morning. Powered by what has to be energizer batteries she just keeps playing, running or walking with endless amounts of energy. When it comes to other dogs, **Maricelle** likes to take on an alpha female role and be the one in charge. After good introductions, she can play well with other dogs but needs a more submissive playmate that can also keep up with her energy level for a best fit. **Maricelle** is smart and responsive and ready for someone to work with her to get some good training under her belt. Although her small build and short black and white coat are adorable on their own her secret weapon of cuteness has got to be her goofy stand-up ears. Just try saying no to her when she pulls them out on you. Give us a ring today to meet her; she's spayed, vaccinated and micro-chipped. ## Minding Your Business with Bob Mytych

Congratulations to the folks over at Hidalgo Mexican Restaurant in Belleville for being awarded Third Place in the Vote 4 the Best Contest, sponsored by Channel 4's Click on Detroit website. They probably would have finished higher in the voting had they signed up for the annual vote for the best campaign earlier in the contest. They started in the beginning

of August. Watch out next year. See their ad in today's paper for a coupon good for half-off a dessert with purchase of a dinner entrée. They're open seven days, Monday through Thursday, from 11 a.m. to 9 p.m., Friday and Saturday, from 11 a.m. to 10 p.m., and Sunday, from noon to 9 p.m. Call (734) 697-3271. Visit them on Facebook too. They're also celebrating their six-year anniversary. Congratulations!

Today's paper features the Belleville Harvest Market application in an ad from the Belleville Central Business Community looking for crafters, and sellers of produce, plants, flowers, jams/jellies, etc. The fee

is \$10 for the Harvest Fest Market event scheduled for Oct. 8, from 11 a.m. to 4 p.m. on the 4th Street Square. The fee includes an 8-foot table and two chairs. No tents but you can bring your own. See their ad for the address where to deliver or mail the apps. Call CBC Event Coordinator Janet Millard at (734) 558-5368 after 3:30 p.m. or email her at [jfayemillard@att.net](mailto:jfayemillard@att.net). Space is limited. Other Harvest Fest events are planned for Fourth Street, between the museum and the library.

\*\*\*

Sumpter CCW & CPL Firearms Training classes are now being held in our community. The cost is \$99 but you can take \$10 off with their ad in today's paper. They also provide FFL Transfers service. Call (734) 846-3438 and visit them on Facebook.

\*\*\*

The new Belles Creatively Unexpected Treasures artisan store is opening this Saturday, featuring all types of art, some by local artists, including pottery, jewelry, photography, candles, re-purposed furniture, and more at 381 Main Street in downtown Belleville. Artisans can call owner Martha Milholin to find out how they can have their own treasures put on consignment, etc. Call (734) 325-2372.

# Belleville DDA

(continued from page 3)

The quote specifications called for a mowing once a week until the second week in October, but the city may adjust the schedule as needed.

DDA president Rosemary Loria explained the reason the DDA went out for price quotes.

"The city is short on staff and this is to help the city," she said. "We want to make an honest effort to help out, not only their budget but ours."

DDA member Jim Higgerson said there was quite a difference in price quotes. DDA Treasurer Sabrina Richardson Williams agreed, pointing out some were almost \$1,000 more.

Thompson said Building Official Rick Rutherford called Pioneer after looking at its low quote and they guaranteed these prices for this year.

Higgerson pointed out Pioneer was less in all categories.

"The whole reason we did this is to help the city and our budget," president Loria said. "... We have bid the landscape work in downtown and Pioneer is always the lowest."

DDA members agreed they would review how everything's been done by Pioneer after the season is over.

Kelly Bates, president of the Victoria Commons Homeowners Association, said the edging that has been done at Village Park this summer has been really bad, with the DPW just going as close as they can with the mowers and damaging the trees.

Loria said DDA members went out after last month's meeting to look at the parks and Higgerson said members can go out and check on the work.

Loria said Pioneer offered to give the DDA this same price for next year. She said the cutting season is May through the second week of October.

In other business at the 34-minute meeting on Aug. 17, the DDA:

- Heard Thompson report that some repairs have been made and some repairs still need to be made at the canoe/kayak launch. She said the sign retrieved from the lake could not be used as a replacement because it was bent when vandals pulled it out of its location. She said about \$1,934 has been spent of the \$2,400 allocated for repairs. An insurance claim has been filed and the DDA will pay the deductible, she said.

## What is an Estate Plan?

An Estate Plan is unique to each person. It is a plan for the control of your property while you are alive, if you become disabled, and upon your death. Documents central to an estate plan are the Will, the Powers of Attorney, and the Trust.

## Wills and Trusts

A Will is a document that specifies how you want your assets distributed after your death. It takes effect when you pass on to greener pastures. A will appoints a person (often called the executor or personal representative) to oversee your distribution plan. This person will need to validate the Will with the county Probate Court and follow the required steps to properly administer your estate.

A trust is a contract. Think of a trust as a safe. Things are put into the trust through a process referred to as funding the trust. For example, a house can be put into a trust by deeding it to "Bob," trustee of "Bob's Revocable Trust." A trust is effective both before and after death. Upon your passing, the next trustee will step up and begin to follow the distribution plans as described in the trust. There is no need to go to probate court. There are different types of trust, such as a pet trust or a special needs trust. The most popular type is the revocable grantor trust. Trusts are more expensive to create and maintain than a will. You do not have to be rich to have a trust; many people of modest means choose to create a trust because that is what best suits their goals.

More information on trusts will be included in the next article of this four-part series and will appear in the September 15, 2016 edition.

If you would like more information or have questions, please contact Amy at (734)718-8574 or amy@amyeversolelaw.com.

and Laurain said they may have been unsuccessful in getting it into the pickup.

Laurain said people don't realize they've been victimized until morning when the suspects are long gone.

On Monday night, Channel 2 News interviewed residents in Homestead subdivision who were victimized during the early morning hours.

One resident showed how her car was damaged by someone trying to steal her catalytic converter. Others showed damage to their vehicles.

Laurain said everyone has to be vigilant and lock the doors of their homes and vehicles.

"So many people are not locking the doors to their houses," he said.

Laurain also said they need to keep valuables out of sight in vehicles because people can look in a window, see something they want and break the window to get it.

Police encourage residents to keep their electronic devices, purses, wallets and other belongings out of unlocked and unattended vehicles while parked in driveways and, if possible, keep outside lighting on after dark.

Residents are asked to be vigilant in their neighborhoods and report any suspicious activity to police. Laurain said his department dispatches a car to every call. If a caller wants no contact from a police officer the officer will come out to check on the situation and not contact the caller, Laurain said.

"You can help by sharing this information with your neighbors and together be the eyes and ears for the police," Laurain said. "We have to work together."

As far as leaving your house and vehicle unlocked, "You can't do that anymore," Laurain said.

## Looking for indoor crafters for Applefest

Indoor crafters are being sought for the 2016 Huron Applefest Craft Show inside the activity center at St. Paul's Lutheran Church, 19109 Craig Street, New Boston. The dates are Saturday, Oct 1 (9-5 p.m.) and Sunday, Oct 2 (11-5 p.m.). For more information or an application call Pat at (734) 753-9158.

## Community Chorus resumes rehearsals, more singers sought

If you like to sing, the Belleville Community Chorus invites you to join in as it embarks on its 11th year of presenting diverse vocal selections for the enjoyment of the tri-community.

Whether you sing soprano, alto, tenor, bass, or you're not really sure, you are needed.

The BCC is a non-profit organization, made up of volunteers of all ages who love to sing. Using a variety of choral music, its performances provide enrichment, education, and enjoyment for its members and audiences in all of the Belleville area communities.

Rehearsals are every Monday evening at 7 p.m., beginning Sept. 12 at the First United Methodist Church, 417 Charles Street, Belleville. A winter concert will be performed in December.

If you are interested in joining this group, come to the first rehearsal by 6:30 p.m. so that director Sue Hiser can place your voice in the appropriate section.

For more information, contact Pete Jones at (734) 731-0829 or email to [Plrmj@msn.com](mailto:Plrmj@msn.com).

## Attempt to set female on fire at McDonald's brings charges in VBT

Frank Stachulski, 31, of Romulus, was arraigned by 34th District Court on Tuesday afternoon on three felony charges: assault with intent to do great physical harm less than murder (which could bring 10 years in prison), fourth-degree arson (5 years), and assault with a dangerous weapon (4 years), along with a misdemeanor charge of domestic violence (93 days).

On Sunday evening, Van Buren Township Police responded to a 911 hang-up call at McDonald's restaurant on Belleville Road. The call was upgraded to a vehicle fire in the parking lot. VBT Public Safety

Director Gregory Laurain said police found that a male and female were involved in a domestic dispute and the male allegedly poured gasoline on the female and attempted to set her on fire.

Director Laurain said after being unsuccessful in igniting her, the male poured gasoline inside of the passenger compartment of her vehicle, set it on fire, and then fled on foot. Police caught him.

Stachulski's probable cause conference is Sept. 7 and his preliminary exam Sept. 14, both at 34th District Court.
